About Me

I am a web developer trained in Coderhouse, specialized in front-end programming. I have practical experience developing responsive web applications using JavaScript, React and Next.js. Passionate about improving user experience through responsive and scalable interfaces. I'm currently looking for new challenges and opportunities to continue growing in the field.

Experience

GETOUT STUDIO (2024)

- Creation and improvement of new design for Video Game Studio page

PEPOLA STUDIO (2024)

- Creation and improvement of new design for Video Game Studio page

TEGANEDEMANO (2024)

- Creation of page to make cards tournaments (truco)

Education
